

## **EASTERN PACIFIC INDUSTRIAL CORPORATION BERHAD**

10 April 2020

Valuable Clients & Tenants of EPIC Group,

As an added health precaution during the Restricted Movement period imposed by the Government of Malaysia due to the COVID-19 situation, EPIC supports the practice that non-critical staff within EPIC facilities should be minimised during this period.

We have reduced our total workforce to below 50% by employing an extensive Work-From-Home programme and limiting the number of critical staff during shifts. We also strongly encourage our clients and tenants to do the same, and to take responsibility in abiding and supporting minimal staffing in line with the movement control order directives from the Government.

We trust your kind understanding in working together for health and safety during this period.

Please contact our contact our Emergency Response Centre at **019-264 7066** or **09-863 2300** if you have any queries on the matter above.

We will issue further official progress updates as and when the need arises.

Stay safe, stay healthy and take care.

**MANAGEMENT OF EPIC GROUP**
