DATE : 28 November 2021

Pursuant to implementation of Section 77B Customs Act 1967 (Amendment 2019) Petroleum Supply Base (PSB), tenants are required to record all movement of goods (incoming/outgoing/within the base) into the Integrated Logistics Management System (ILMS) PSB Module effective 30 November 2021.

The PSB module can be reached via url pbksb-ilms.com.my/app for Customs and Agent. For customers can be reached via pbksb-ilms.com.my/ilms.

Tenants who have not submitted the ID for user setup to access the system, kindly contact our representatives* for further action.

Thank you.

A handwritten signature in black ink, appearing to read 'Azmi bin Ngah', is positioned above the printed name.
